

Vendor Net Guide

Overview: Vendor Net processing thru DXL Group is a combined effort between the customer service team, the buyer and the vendor to ship items to our customer in an efficient manner. In order to be successful, information should be obtained prior to offering drop ship items on our websites/catalog. Here is some information that we will need from the vendor in order to process drop ship orders.

The buyer should coordinate a meeting with the drop ship team to discuss the vendor information and information provided in the check list.

- **DXL Group Order Processing:**
 - All communication with DXL Group and the Vendor Net vendor will be via e-mail using Dropship@dxlg.com
 - Here is an example of our .txt file that you will receive:
